Our Visitors

CARLISLE UNITED

A SPORTING Club held in esteem throughout The League, Carlisle United are welcomed back to Deepdale for their fifth visit with sympathy in their present troubles, which are similar to those experienced by North End and several other then struggling Second Division clubs in a lengthy anxious period last season.

We escaped threatened relegation by a fighting effort, and sincerely hope our Cumbrian neighbours eventually do likewise in the remaining two thirds of the season. They have started badly but there is ample time for a revival.

Up to last Saturday Carlisle were the only Second Division side without a win, having gained their three points from draws in home matches v. Portsmouth, Charlton and Huddersfield.

Their other six League games resulted: Bury (a) 2-3, Middlesbrough (a) 0-1, Oxford United (h) 0-2, Crystal Palace (a) 0-5, Norwich City (h) 0-4 and Cardiff City (a) 1-2. In The League Cup Carlisle beat Cardiff at home by 2-0, but in the next round last Tuesday were knocked out at Brunton Park 3-0 by Leicester City.

ADMIRATION

Carlisle have given a very good account of themselves on previous visits to Deepdale and earned admiration as a clean and skilful side, whose supporters were a credit to the club. They made their bow in a fifth round F.A. Cup-tie during our 1964 run to Wembley. Although then a Fourth Division side, and successful in a promotion bid, they had the better of the exchanges in a hard fought match and were unlucky to lose by the only goal of the game.

The Cumberland side again proved themselves keen cup fighters in a fourth round second replay two years ago, but had to concede the honours to Shrewsbury who won this fine match by 4-3.

In the League, North End won the first encounter by 2-0 at Brunton Park and completed a 1965-66 double at Deepdale by 2-1. The following season it was Carlisle who ended our record home sequence of 10 League wins with a 3-2 victory on 10th December, 1966, at Brunton Park later we drew 1-1.

FLUCTUATIONS

Last season it was Carlisle's turn for a double. They won well at home by 4-1 last October, and by 2-0 in March. These performances enhanced local respect for their ability.

Carlisle know all about fluctuations in League form. Promoted from Division Four in 1962, they were relegated after one season, but back again 12 months later. They finished 1964-65 as Third Division Champions, and in their first experience of Division Two did amazingly well. Coventry City and Wolves were promoted and Carlisle ended in third position.

In the subsequent campaign (1967-68) they gained 41 points for a mid-table place. Carlisle's manager Tim Ward recently resigned. He was preceded at Brunton Park by A. Ashman, A. Beattie, A. Broadis, F. Emery, W. Shankly and F. Westgarth.

Carlisle were founded in 1904 by the amalgamation of Carlisle Red Rose with Shaddongate United and for many years participated successfully in the North Eastern League, until elected to The Football League Division Three (North) in 1928.

Tonight's Referee

KEVIN HOWLEY

(Teeside)

KEVIN HOWLEY has refereed 74 international, representative and European club matches. He was in charge of the Inter-Cities Fairs Cup final between Valencia and Dynamo Zagreb in 1963, the Wolves v. Blackburn F.A. cup final in 1960 and he was in the World Cup pool of referees in 1966. A referee of the highest order.

Mr. Howley, married with two boys, is employed by ICI at Teeside. He started refereeing in 1944. "I was in the Royal Navy at the time and it provided handy perks," he smiled. But the casual interest turned to fanaticism. He decided he would try and make a name for himself.

He rose through the North-Eastern, Northern and Central Leagues to become a Football League linesman in 1953. Twelve months later he was promoted to referee. Then he really began to make headway. His hobby has taken him all over the world. To how many countries?

"Oh, dear, let me see," he puzzled. "It would take some time to work out. It would be easier for me to name the countries I *haven't* visited !"

One of his most vivid recollections is of a nine-week tour taking in the whole of the South American continent.

For a man who has given so much to the game, it may appear strange that, as a youngster, he had hardly any interest in playing. "When I was at school I was a goalkeeper but, I don't know, I didn't seem to be particularly interested in playing," he said.

Upon reflection, it was a good thing for the game he didn't relish a playing career. For referees of his calibre are quite rare.
